

COHERENCE 2007

International Workshop on Phase Retrieval and Coherent Scattering

June 25–28, 2007

Asilomar Conference Center
Pacific Grove, CA USA

The conference, fourth in a series, will be devoted to coherent x-ray physics, with an emphasis on coherent x-ray imaging and photon-correlation spectroscopy.

IMPORTANT DEADLINES

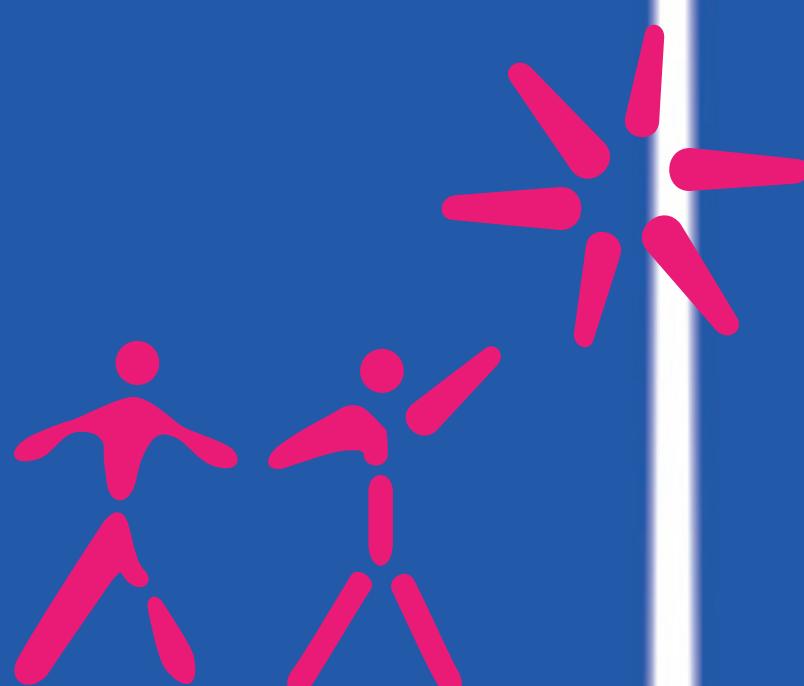

Abstracts – March 1, 2007

Registration – April 15, 2007
